Dear Sean, Tanya and the Expert Carpet Cleaning Teams,

Thank you so much for your incredible gift to all at House of Hadassah. Everything is clean and fresh. We have discovered colours we did not know were there and the refreshing of the mattresses is fantastic.

Your team was exceptional and had such wonderful attitudes. It was so touching for us to see the team from West Rand there as well what precious hearts your people have.

Please convey to each one our thanks and we pray you will be extremely blessed as individuals as well as a company and that you will grow from strength to strength.

Yours Sincerely

Lindsey Lefebure
Chairman
